

Host Organisation Application for Cambridge BBSRC DTP PIPS

Please be aware that if your profile is accepted the information provided in this form will be used to list your organisation online for potential internship students to see, and that entries will not be edited before posting. The DTP makes no guarantee of applications as a result of this profile.

Note also that the contact details provided should be appropriate for students to use for enquiries.

Name of Host Organisation

Host Organisation sector (e.g. Biotechnology Start-up, Multinational Pharmaceutical, Policy and Governance)

Host Organisation background

Please provide a short description of your organisation and its activities: this should be appropriate for students interested in an internship rather than a full biography

Opportunities available

Please describe general internship opportunities available and the typical activities involved: you will be able to contact the DTP Coordinator with specific opportunities you may have separately from this application
